mobile learning micro learning flash animations Chires for Europe ears

Chirese for Europe ears provides free and easily accessible educational materials for Europeans travelling to China for personal, professional or educational reasons or simply as a tourist:

BUSINESS MODULE TOURISTS' MODULE

- facilitates contacts between EU citizens and Chinese immigrants, thereby encouraging intercultural relationships
- enhances the motivation and learning competencies of Europeans, enabling easy and simple access to learning Chinese

BASIC MODULE CHILDREN'S MODULE STUDENTS' MODULE

This is not just another an introductory course in Mandarin Chinese. Our e-learning platform targets four learning groups: businesspeople, students, tourists and children, and offers different electronic modules with the targeted materials. The content provided specifically organized material to meet the needs the respective target groups. The medium through which each group is addressed varies accordingly, for example: children are attracted by interactive and lively exercises; busy businesspeople receive small chunks of material via email. Tourists can use their mobile device during their trip to ensure they have language support. Individually adapted electronic learning resources ensure an effective as well as entertaining process of learning.

Benefits of learning Chinese with Chinese for Europeans:

- It is an online course
- All materials are conveniently and easily accessible at any place and any time
- Learning Chinese becomes an enjoyable and successful experience
- The course is available in all 23 official languages of the European Union
- The course contains a basic module for all users and four additional modules specifically it has four tailored courses for children, students, businesspeople and tourists
